**For Immediate Release**

**Cancer Support Community Central Ohio Welcomes New Member to Board of Directors**

**COLUMBUS, Ohio (March 21, 2016)** – Cancer Support Community Central Ohio is pleased to announce the appointment of Michael Murphy, Chairman and Owner of Murphy Development Company, to its board of directors. In addition to his general board responsibilities, Murphy will be serving on the Development Committee and the Charity Golf Classic planning committee.

“As I see the list of friends and family who have been affected by cancer grow recently, I feel the need to help in some way,” offered Murphy. “I believe Cancer Support Community is well positioned to fill a growing need in the local cancer community and I believe my participation will help them grow.”

Founded in 1991, Murphy Development Company is a real estate development company that has been specializing in the development of multi-family apartments and condominiums in the central Ohio area for 25 years.

“Michael truly understands the need for the services that our organization provides,” said Bev Sault, President and CEO of Cancer Support Community Central Ohio. “He seems exceedingly willing to help us expand our reach and increase awareness throughout central Ohio and I know that he will be a tremendous addition to our already outstanding board of directors.”

Murphy, a native to Newark, graduated from Miami University and is also a licensed CPA. He currently resides in Dublin with his wife, Robin.

**About Cancer Support Community Central Ohio**

The mission of Cancer Support Community Central Ohio is to ensure that all people affected by cancer are empowered by knowledge, strengthened by action, and sustained by community. Cancer Support Community programs serve all people living with any type or stage of cancer, from diagnosis through survivorship. We play a vital role in the lives of individuals, their families and caregivers as they navigate their cancer experience by providing them with education and a community of support.

All programs are facilitated by licensed and credentialed facilitators and instructors, are proven to be effective by solid evidence and are offered in a comfortable, home-like setting. There is never a fee to attend—all programs and services are provided at *no cost* to ensure that we do not increase the financial burden that often accompanies the cost of cancer care.
