Cancer Support Community Central Ohio Welcomes New Member to Board of Directors

COLUMBUS, Ohio (July 20, 2016) – Cancer Support Community Central Ohio is pleased to announce the appointment of Sujoy Brahma, Vice President of Food and Beverage at Hollywood Casino Columbus, to its board of directors. In addition to his general board responsibilities, Brahma will be serving on the Development Committee.

“I lost both of my grandparents to cancer,” said Brahma. “Joining Cancer Support Community’s board of directors was a natural fit.”

A native of India, Brahma moved to the United States in 1989 after obtaining a degree in hotel management from HIM in Montreux, Switzerland. Brahma also received a Master’s degree in Human Resource Management from The Johnson and Wales University in Providence, Rhode Island.

An Industry veteran, Brahma has almost thirty years of experience in the field of food and beverage management. He previously held positions at other gaming companies, such as Caesars Palace, MGM, and the Seminole Hard Rock Casino in Tampa, Florida, before accepting the position at Hollywood Casino Columbus in February of this year.

“We are so thrilled that Sujoy has decided to join our Board of Directors,” said Bev Soult, President and CEO of Cancer Support Community Central Ohio. “He has been very involved in the planning for this year’s Night of Chocolate gala, which takes place at Hollywood Casino Columbus in September. His expertise, creativity and leadership are extremely valuable and very much appreciated.”

Brahma and his wife, Becky, have two children. When he is not working, Brahma loves to travel and has a life goal of visiting all seven continents.

About Cancer Support Community Central Ohio

The mission of Cancer Support Community Central Ohio is to ensure that all people affected by cancer are empowered by knowledge, strengthened by action, and sustained by community. Cancer Support Community programs serve all people living with any type or stage of cancer, from diagnosis through survivorship. We play a vital role in the lives of individuals, their families and caregivers as they navigate their cancer experience by providing them with education and a community of support.

All programs are facilitated by licensed and credentialed facilitators and instructors, are proven to be effective by solid evidence and are offered in a comfortable, home-like setting. There is never a fee to attend—all programs and services are provided at **no cost** to ensure that we do not increase the financial burden that often accompanies the cost of cancer care.
